Oral Presentation

Speakers are given 10 minutes to present their research work with a 5-minute Q & A session after each talk.

Speakers should bring a copy of their presentation to the symposium in USB memory stick/flash drive and are requested to meet at the auditorium 10 minutes prior to the start of the session to check their presentation is correctly loaded.

A Best Oral Presenter Award will be given out based on the quality of the presentation and research work.

Poster Presentation

Posters should be in portrait orientation in A1 (594 x 841 mm) size.

Presenters are requested to put up their posters at the designated area after registration till the end of the symposium.

A Best Poster Presenter Award will be given for each of the five categories.

MONASH University
Malaysia

"Research in a Flash!"

Speakers are given 3 minutes to present their research project to a general audience. Exceeding the time limit will result in disqualification.

Only ONE PowerPoint slide is allowed. The presentation should include: the importance of the research, how was the research question addressed, and the long term outcomes anticipated.

The presentation should NOT include slide transitions, music, video, props, rapping and singing.
